HONOR FLAGS HAVE REACHED TONOPAH

ONE FLOATS OVER THE POST OFFICE AND THE OTHER OVER STATE BANK BUILDING

Tonopah is flying two honor flags today, one from the staff over the postoffice window on Main street and the other from the staff on the State Bank building. One of the emblems is awarded to the town of Tonopah for having oversubscribed its quota of \$151,000 for the third Liberty loan, the other banner announces the fact that Nye county has gone "over the top," its quota being \$38,000. Both flags are the official awards made by a Liberty loan general executive board at San Francisco.

These are only two of the honor flags awarded to Nye county communities. Reports are being received daily from outside districts indicating that a goodly number of places will have achieved the distinction of joining the honor lists before the campaign is finished. Those so far entitled to honor flags outside of Tonopah, are Manhattan, Round Mountain, Beatty, Rhyolite, Carrara, Hot Creek and Tybo, Duckwater and the Reese River community.

Subscriptions received through the local Liberty loan committee since its published report a few days ago give Tonopah a total of \$283,000 to date, and Nye county a total of \$397,009. These are encouraging figures, but, with another week in the campaign, there is still more to get before Tonopah and Nye county will have demonstrated what can be done. Are you on the honor roll? Have you helped toward winning the honor flag? If not, don't be a slacker any longer, but get into the ranks of the patriots at once!

OPTIMISTIC AS EVER
—MR. HERMAN ZADIG

BUNDLE OF CHEERY GOSSIP GIVEN TO PUBLIC BY PIONEER STOCK BROKER

Herman Zadig, the pioneer mine broker and broker, returned to San Francisco yesterday after spending several busy days in this district. He arrived from the coast Friday morning and at once made a trip through the showing on the 1050 and believes that an extensive body of ore will be picked up on the 1100. He was also pleased to receive news that the power people, who are erecting an auxiliary plant for the Great Western, have received word that the balance of the machinery will be received in two weeks and that the installation will be complete by the last of June.

Mr. Zadig also thinks that arrangements have been made by the West Tonopah and Great Western, under which the latter will pump for the former. The pumps will be the most powerful in the Tonopah district. Their success should assist in bringing about a better market for both securities.

The visitor was shown the strike on the 1050 level of the Extension. For two years he prophesied that this mine would become one of the biggest and best in the district, and he now feels satisfied in the correctness of his forecast.

When silver was selling at 50 cents he prophesied the dollar mark as a permanent basis of value and now feels that he made a good guess. Mr. Zadig was in conference here with Superintendent Franklin of the Manhattan Red Top. Arrangements were made to sell the present compressor and install a larger one and then sink another 150 feet, at which point the values should be reached.

THE BISHOP VISITS

Services were held in St. Mark's Episcopal church yesterday morning at 11 o'clock by Rt. Rev. George C. Huntington, bishop of the diocese of Nevada. There was a large attendance and a helpful discourse was delivered. The bishop and his wife continued on to Manhattan, where he held services last evening.

PNEUMONIA CLAIMS ANOTHER VICTIM

BODY OF HERBERT HICKS WILL BE SENT TO CALIFORNIA FOR INTERMENT

After an illness of but three days, Herbert Hicks, a well known and highly respected young miner of this city, died at his home on Florence avenue last evening at 3:45. He took a cold a few days ago, which developed into pneumonia.

The deceased was a native of Nevada City, Cal. He came to Tonopah about four years ago. Until recently he was employed in the Cash Boy mine.

Surviving him are his mother in Grass Valley, Cal., his wife and two little daughters here, and the following sisters and brothers: Mrs. Bert Pollard and Mrs. James Timlin of Tonopah; Mrs. Frank Mills, Portland, Ore.; Mrs. Leslie Theuerkauf of Los Angeles; Mrs. James Mutton of Grass Valley and John Hicks of Grass Valley.

The remains will be viewed after 8 o'clock this evening at Wagoner & Cavanaugh's undertaking parlors. The body will be shipped tomorrow morning to Nevada City for interment.

HARRY GOMM'S FUNERAL

The funeral of the late Henry Gomm took place at 4:30 Sunday afternoon from Wagoner & Cavanaugh's undertaking parlors. Services were conducted by the Rev. Mr. Grafius. The interment took place in the Tonopah cemetery. A large concourse followed the body to the grave.

TOM LANDSBOROUGH WILL BUILD SHIPS

SKILLED MEN OF EXTENSION COMPANY OFFER THEMSELVES TO THEIR COUNTRY

The Tonopah Extension Mining company's force of operatives is supplying a number of highly skilled men to the various branches of public service in this time of need. D. B. Bradner was one of the 700 chemists chosen by the government for expert work at Washington in connection with the federal munition factories.

P. S. Booth, for the past seven years auditor of the company, has tendered his services to Uncle Sam. It is expected that he will be called to expert accountancy in the airplane construction department.

Tom Landsborough, for nine years chief electrician for the company, will enter shipbuilding. He goes to the Union Iron Works next Saturday. There have been a number of enlistments in various branches of the service from both the mining and milling departments of the Extension.

FATAL COLLISION OF GASOLINE SPEEDERS

ONE OF THE VICTIMS WILL BE BURIED THIS AFTERNOON; TWO MORE MAY DIE

The total death list from the accident Saturday night on the T. & G. railway will probably reach three. Jose Espanosa was killed instantly. Jerry Mahone was badly burned and his injuries are developing toxemia, while the Indian has a fracture at the base of his brain and is showing indications of collapse. The fourth victim of the accident is so far improved that he will be moved tomorrow to the railway hospital at Goldfield.

The accident occurred about 10:30 Saturday evening. Two gasoline speeders, each running at a high rate of speed and not carrying lights, came together three miles this side of Millers. The force of the impact broke the gasoline tanks and the gasoline ignited, destroying both cars.

Word was sent to Tonopah and Dr. Church and Chief of Police Grant set out immediately by auto, followed by the auto ambulance. Espanosa has a brother here and a brother and mother at El Paso, Texas. The funeral will take place from the undertaking parlors at 5 o'clock this afternoon. It will be conducted by Rev. Fr. Noonan. The interment will be in the local cemetery.

FATHER PUNCTUALITY

Charles A. Richards, father of C. L. Richards of this city, has returned from an extended visit to southern California. He will visit his son and daughter-in-law here for some weeks and then continue on to his home in Reno for the summer. Mr. Richards plans out his year's itinerary and sticks to it with the faithfulness of a limited train to schedule. It is a matter of record that during the two terms that he was state senator and the two terms that he was a member of the Nevada assembly, he never missed a roll call.

WEATHER FORECAST

Forecast for the period April 29 to March 4, inclusive. Southern Rocky Mountain and Plateau Regions: Fair, with warmer weather in north portion of this district during first part of week.

PNEUMONIA CALLS A WELL-KNOWN MINER

DEATH OF A RESIDENT OF TONOPAH AFTER A VERY BRIEF ILLNESS

Taken suddenly late Friday night, John Honey grew rapidly worse until 1 o'clock the following afternoon, when he was taken to the Mine Operators' hospital. Pneumonia set in and he died four hours later.

The deceased was aged 36 years and was a resident of Tonopah for the past ten years. He was born in Cornwall, England, where his mother resides. Henry Honey of Goldfield is his brother. Two other brothers are in the British army. The funeral takes place this afternoon at 4:30 from Wagoner & Cavanaugh's undertaking parlors. It is conducted by the Moose lodge, of which the deceased was a member.

YOUNG MINER VICTIM OF QUICK PNEUMONIA

WAS BORN IN NEVADA AND LIVED ALL HIS LIFE IN THIS STATE

Charles Hayden, died at 2 o'clock this morning at the Mine Operators' hospital. He walked without assistance to the hospital Saturday afternoon and a little later his condition became critical. A bad cold had suddenly changed to pneumonia.

Mr. Hayden was born at Austin and lived all his life in this state. He was aged 33 years. He came to Tonopah about two months ago and went to work in the Jim Butler mine.

Surviving him are his mother, five sisters and a brother at Battle Mountain, a brother near Mina and another brother in the war. Mrs. Frank Meyers of Tonopah is his cousin. Arrangements for the funeral are not yet completed.

TWENTY SMILES FOR DOLLAR

If you want to help keep the soldier boys smiling, send them smileage books. You can get one with twenty coupons for a dollar or with 100 coupons for \$5.00. Buy one, preferably the latter size, and send it to a soldier, or give it to some young lady you know who is thinking of somebody over there. Get the books from Art Keenan. This is a government enterprise and not for private gain. There are amusement houses in all camps and the coupons are tickets of admission. Get a couple of books, half a dozen.

AMUSEMENTS

DOUBLE ATTRACTION AT BUTLER

There will be screen stars and real live stage stars at the Butler this evening, so whatever happens, do not fail to be on hand and see the "big show"—Julian Eltinge, the world's greatest female impersonator, will be here on the screen, and the Berne Bros.

Julian Eltinge, who in reality is a native of Butte, Montana, spent most of his early life in Boston, Mass., a fact which doubtless explains the manner in which he is able to assume so completely the polish and, as it were, "culture" of a "perfect lady." He began being lady-like in Boston while a member of the "Boston Cadets," an organization most of the members of which were Harvard men. It was the custom of this organization to give, each year, amateur productions in which the members appeared as actors, directors and managers. It was in "Miss Simplicity," a cadet play in which he took the leading part as a demure school girl, that Julian Eltinge gained his first notoriety as a female impersonator. His fame rapidly spread, his success going in leaps and bounds, until now he has the distinction of being called "the greatest in the world," he has no equal. The secret of Mr. Eltinge's art lies in his ability to make you forget that he is a man. To prove this, see him in this great detective story tonight, "The Clever Mrs. Cartax."

The other feature on the bill is the Berne Bros., who will appear in one of their standard vaudeville acts, introducing feats of strength which are nothing short of marvelous. Here is an opportunity to see two of the greatest athletes who ever appeared in public. They have just closed an engagement at the Majestic Theater, Reno, and a personal letter from that theater says they cannot be recommended too highly—that they are great. Tomorrow Jewel Carmen in "The Girl With the Champagne Eyes."

CIVIL SERVICE EXAM

The United States civil service commission again announces an examination for the position of clerk, postoffice, May 25, 1918, in this city.

There has been difficulty in securing a sufficient number of applicants for this position and therefore all qualified persons are urged to enter the examination.

Application blanks and further information may be obtained from the local secretary of the board of civil service examiners in this city for both men and women.
